

Ramadan Tents Showcase Emirati Hospitality and Heritage at Abu Dhabi International Airport

“Fareej” to welcome young passengers and celebrate with them the holy month

Abu Dhabi Airports Company (ADAC) is celebrating the holy month of Ramadan by providing passengers at Abu Dhabi International Airport with the opportunity to learn about the traditions associated with this religious month.

There are three Ramadan tents in

the airport, with one in every terminal. Each tent has a capacity for a maximum of 30 people at a time, where Iftar and Suhour will take place approximately between 7pm and 3am. Travellers fasting are also welcome to break their fast at Iftar in one of the tents located in each of the terminals at the airport.

Foreign passengers in particular have been delighted to learn about the Islamic culture and heritage as they visit the tents, where they are greeted with the warm hospitality that epitomizes Emirati customs, and enjoy eating traditional appetizers and beverages such as Arabian dates and coffee, that will be distributed to travellers and airport staff alike.

Moreover, a special entertainment program has been created to draw joy and happiness on the face of the young travelers, who will be received by "Freej" characters at Terminal 1 during the holy month. Other activities scheduled to take place inside the terminals include folklore dancing, henna painting and more. Special souvenirs and gifts will be distributed to travellers to celebrate the arrival of the holy season as well.
