

IT IS SAID THAT UNDER THE RAJPUT
KINGS, THE LAND OVERFLOWED
WITH MILK AND HONEY.
IS THAT WHY TOURISTS CARRY
SWEET MEMORIES WHEN THEY LEAVE?

The soil of Rajasthan is fertile with tales of grandeur and glory. Under the Rajput kings, magnificent forts and palaces were built, and royal opulence reached a zenith never again equalled in the history of India. It was a period of chivalry and heroism. The cities of Jaipur, Udaipur and Ajmer are living textbooks of an age of pomp and splendour. Travel on the exotic trains, Royal Orient and Palace on Wheels, live in heritage palace hotels and experience the royal luxuries of a

bygone era. As you explore the enigma that is India, you'll discover that it is more than just luxury and grandeur. The amazing rock carvings at Mamallapuram. The royal Bengal tiger in his natural habitat. The flower-carpeted meadows of Gulmarg. And many, many more which can't be described, but have to be experienced. Write in for a free booklet on India. And make your plans for the most intriguing holiday of your life.
